## Fourth Congressional District Estimated HIV/AIDS Incidence and Prevalence

(December 31, 2006)

\* Estimate is based on a comparison of the fourth congressional district map to a ZIP code map of Montgomery and Prince George's counties.

† Approximately half of the ZIP code's cases are not in the fourth congressional district.

†† Portions of the ZIP code are located in an adjacent county.

††† Approximately half of the ZIP code's cases are not in the second congressional district and portions of the ZIP code are located in an adjacent county.
