* Estimate is based on a estimation of the ZIP codes in the seventh congressional district based on a comparison of the district map to a ZIP code map of Baltimore City and Baltimore County.

† Approximately half of the ZIP code's cases are not in the seventh congressional district.

** 21207 is also located in Baltimore City.

*** Based on road distribution, it is estimated that about three quarters of Howard County's new and prevalent HIV and AIDS cases are found in areas that coincide with Maryland's seventh congressional district.
