

AIDS Pharmaceutical Assistance

HRSA Description (10-22-2018)

AIDS Pharmaceutical Assistance may be provided through one of two programs, based on HRSA RWHAP Part funding.

1. A Local Pharmaceutical Assistance Program (LPAP) is operated by a HRSA RWHAP Part A or B (non-ADAP) recipient or subrecipient as a supplemental means of providing ongoing medication assistance when an HRSA RWHAP ADAP has a restricted formulary, waiting list and/or restricted financial eligibility criteria.

HRSA RWHAP Parts A or B recipients using the LPAP to provide AIDS Pharmaceutical Assistance must establish the following:

- Uniform benefits for all enrolled clients throughout the service area
 - A recordkeeping system for distributed medications
 - An LPAP advisory board
 - A drug formulary that is
 - Approved by the local advisory committee/board, and
 - Consists of HIV-related medications not otherwise available to the clients due to the elements mentioned above
 - A drug distribution system
 - A client enrollment and eligibility determination process that includes screening for HRSA RWHAP ADAP and LPAP eligibility with rescreening at minimum of every six months
 - Coordination with the state's HRSA RWHAP Part B ADAP
 - A statement of need should specify restrictions of the state HRSA RWHAP ADAP and the need for the LPAP
 - Implementation in accordance with requirements of the HRSA 340B Drug Pricing Program (including the Prime Vendor Program)
2. A Community Pharmaceutical Assistance Program (CPAP) is provided by a HRSA RWHAP Part C or D recipient for the provision of ongoing medication assistance to eligible clients in the absence of any other resources.

HRSA RWHAP Parts C or D recipients using CPAP to provide AIDS Pharmaceutical Assistance must establish the following:

- A financial eligibility criteria and determination process for this specific service category
- A drug formulary consisting of HIV-related medications not otherwise available to the clients
- Implementation in accordance with the requirements of the HRSA 340B Drug Pricing Program (including the Prime Vendor Program).

HRSA Program Guidance

For LPAPs: HRSA RWHAP Part A or Part B (non-ADAP) funds may be used to support an LPAP. HRSA RWHAP ADAP funds may not be used for LPAP support. LPAP funds are not to be used for emergency or short-term financial assistance. The Emergency Financial Assistance service category may assist with short-term assistance for medications.

AIDS Pharmaceutical Assistance

For CPAPs: HRSA RWHAP Part C or D funds may be used to support a CPAP to routinely refill medications. HRSA RWHAP Part C or D recipients should use the Outpatient/Ambulatory Health Services or Emergency Financial Assistance service categories for non-routine, short-term medication assistance.
